

Shadowmatch®

Match & move your  to success

Snippets

Our Shadowmatch System Training dates for June are: 3 and 24 June. The training takes place at our Centurion offices.

Did you know: Fewer than 100 people have achieved 10/10 for the conceptual questions in the Shadowmatch worksheet.

Shadowmatch is used extensively in companies to understand and facilitate conflict between individuals and teams.

Responsiveness is the strongest habit shared by all top performers in the Shadowmatch database.

Shadowmatch®

The day Shadowmatch worked perfectly by not working.

The Shadowmatch team was asked to do an analysis of a team of specialized people. The problem was that the majority of the team members have been working together for more than ten years. They had three young employees in the team that were extremely frustrated. A further problem was the fact that the team were performing very poorly. Their work was not up to scratch. The team performed anything but

acceptable in the quality standards of their work. The company then decided to appoint a new director with lots of energy to fix the team and get things back on track...

SIMPLIFY PDP

By embarking on this personal development programme, you will embark on a journey of lots of fun and lots of thinking. This programme will develop your ability to take a complicated matter and simplify it to the level where a child can understand it. It is a programme with lots of practical exercises.
